

CLASS – VI

Dear students,

Holiday homework is an initiative on our part to inculcate innovativeness, interest and creativity through various tasks assigned to you. It will not only enable you to recapitulate what has been taught, but will also help you to connect to various learning processes. We hope that you relate to the tasks given and enjoy doing them as much as we enjoyed compiling it for you.

Enjoy your summer vacations and Happy Learning!!

Note- Click pictures of each activity done by you to keep a record of the same. You can even write about these in your copy. All the activities can be done in drawing sheets also in case of unavailability of A4 size sheets.

**Task 1 -
Celebrations:-**

Celebrations boost our well-being. One of the main reasons for celebration is that it reflects an overall attitude of gratitude and enjoying what we have, instead of focusing on what we don't have or only on what we want in the future.

Here are the activities to be done during the month of June which can make these days special and full of fun and learning...

Date	Day	Activity
5th June	World Environment Day	पर्यावरण *स्वरचित कविता * 2-3 सुंदर बुक मार्क बनाइए और उन पर पर्यावरण संबंधी स्लोगन लिखिए। * पर्यावरण को सुरक्षित व संरक्षित रखने हेतु वस्तुओं का कोलाज बनाइए।(छुट्टियों के कार्य के लिए रंगीन ए -4 साइज़ शीट इस्तेमाल कीजिए)
8th June	World Ocean Day	On the eve of World Ocean day prepare a PowerPoint presentation providing a good overview of plastic in marine environment and their impact on marine organisms as well as some recommendations to tackle this issue.
10th June	Ball Point Pen Day	Ball point pen day is celebrated on 10th June every year. Using the ball pens of different colors (red, blue, black, green), which are easily available at your home, draw the figure of 5th, 6th and 7th triangular numbers in an A-4 size sheet.
14th June	National Flag Day	It is a day to honour our National Flag. Many people have died protecting our country. Let's raise the flag and fly it proudly. Do your research on the following topics. (i) Who designed our National Flag? (ii) Significance of colours chosen and 24 spokes in Ashoka Chakra (iii) Draw flags of five different countries and show the lines of symmetry in them.
21st June	Father's Day	Father's day is celebrated on the 3 rd Sunday of June. So this year it falls on 21 st June. Make a card for your father and inside the card you can write a small poetry (composed by you).

		Remember to use lots of adjectives and rhyming words for showing your love to your father. Present it to him on father's day and make him feel happy and special.
21 st June	International Yoga Day	(i) Draw and color a poster on A4 size drawing sheet in portrait form with margins on all the four sides. Topic - "INTERNATIONAL YOGA DAY" with an appropriate slogan. Also mention your Name , Class with Section, School Name In the right corner below the poster. (ii) Write down the names of 5 yoga Asanas and their benefits in A4 size paper.
23 rd June	International Olympic Day	Olympic Day was introduced in 1948 to commemorate the birth of the modern Olympic Games on 23 June 1894 at the Sorbonne in Paris. The goal was to promote participation in sport across the globe regardless of age, gender or athletic ability. Olympic Day is celebrated all around the world: hundreds of thousands of people – young and old – participate in sports activities, such as run, exhibitions, music and educational seminars. HINDI ACTIVITY 1. Prepare a poster on International Olympic Day. 2. Write a list of historic players who represented India in the Olympics on A4 sheet. 3. Write an essay on how Olympics have changed over the years (involvement of women etc.)
30 th June	World Meteor Day	"Early Earth experienced many large meteor impacts that caused extensive destruction." Prepare a report which should not exceed 4 pages and throw the light upon the following : a) What are meteoroids? Where they are found? b) Name the current meteors passed near from the Earth surface. OR Any other current facts related to meteors. c) Keep a record for four continuous nights i.e. from 27 June to 30 June. Time from - 6.30 pm onwards Things to be observed - Sunset time, moon phase and climatic conditions. d) Use the creative ideas and art forms to elaborate the meteors and your observations.

Task 2 - Creativity Time:-

1. Riddle Book:-

Make a small booklet, using 5 A4 size sheets. Divide it in 4. Now staple them together as a small book. Give it a nice cover.

Use the first few pages to write your own riddles. You can make the riddles by giving hints but not naming the exact word. The person reading the riddle has to guess them. So make it difficult yet interesting. Make minimum five riddles.

Now use the last few pages for the answer keys. (You can even make small drawings of the answer word)

Note- Use one page for one riddle only.

It will be a fun game when you meet your friends.

2. COVID-19 is an infectious disease recently discovered as coronavirus. We are under lockdown due to this pandemic. But the present scenario has brought some positive changes in the environment. Let's Pen down the following:-

ACTIVITY:

1. Prepare a research report on 'Covid-19 – A Nature Healer' with the help of given guidelines. You can support the report with pictures if possible.
2. Collect the data of AQI (Air Quality Index) before and after the Pandemic. Tabulate your findings. Compare and analyze the data. Draw the conclusion.
3. List the positive impact of covid-19 on water bodies, aquatic life and environment.

Dear Students

With summer holidays around the corner, To maintain the educational continuum an enriching homework for the holidays is designed to keep you constructively busy and put boredom at bay. Continue to read e-newspaper everyday and don't forget to complete your notebooks and assignment of the syllabus covered in online classes during April and May.

CLASS VII
