CLASS – I & II

Holidays

Holidays are the best time of the year.

Time to shout, clap and cheer!

Jump about and have lots of fun,

Enjoy treats in tons and tons!

Try cool recipes for your grandparents too,

Experiments and projects to be done by you.

Be helpful and nice to all, each day!

Dear Parent

Holidays are time when you can connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child's love of learning by participating in educational activities at home. Working together on the activities will help your child build confidence and he/she will learn to reason.
