BE A WATER SAVIOUR

Water is a natural resource that we derive from the Earth. Without it, we would not be able to live!

Imagine a world with no water at all. You wouldn't be able to drink, bathe, wash clothes and so on. Without clean water, other creatures, such as plants, animals, birds and ocean life would also get sick and die. Saving water is the need of the hour. Do you know that as kids you can play a big role in water conservation campaign?

In order to create awareness for saving water,Make three double sided bookmarks on “Save Water” theme by your own imagination. Use one side to express your thoughts using drawings or paintings and the back side for a quote of 5 to 6 words. Write the quote on the same theme. Some ideas for bookmarks are given below
